

The **Key Stage 4** resource focuses on the development of dancers and artists at BTEC, GCSE, A level and even first year undergraduate students. Lessons guide students through a wide range of choreographic and improvisation based tasks and techniques to help generate, develop and structure movement. BalletBoyz repertoire and insightful interviews with leading choreographers are referenced for context and advice.

KS4: links to prescribed courses

- Choreographic unit BTEC, GCSE and A Level; development of solo and duet material: aligns with prescribed objectives: research, improvisation and selection
